## INAUGURAL ADDRESS

---

Gentlemen of the Council:

Taking the oath of office today, to govern the municipal affairs of our city for the ensuing two years is an honor and a privilege entrusted to us by the citizens of Somersworth. I do not regard the endorsement purely as a party victory, but one that expresses a desire on the part of our citizens to have the affairs of our municipality again conducted along the lines of sound business principles.

The prevailing war conditions have already confronted us with many problems. These problems have only served to bring to surface the fine spirit of the people of this city. Practically every individual has already offered his services to protect and preserve the treasured freedoms of this land of ours.

With your cooperation, gentlemen of the Council, and the assistance of our interested citizens who are disposed to assist and not hinder the progress of our city, I feel sure that a successful administration will result.

January 1, 1941

## HIGHWAY

During the past administration, the new Highway garage on West High street was completed. In addition to the storage space for all of the equipment, the Superintendent's office and a repair shop are located in this building. The building is heated by forced warm air, keeping the machinery ready for any emergency, which results in a decrease of expenditure for the repairs and upkeep of the equipment.

## HIGH SCHOOL ANNEX

The biology laboratory has made it possible to meet the ever increasing requirements for training courses at the New England hospitals; the study hall has eliminated the crowded classrooms and given

the students an opportunity to have supervised study periods.

The lower floor of this annex has provided a flexible shop room that can be used for machine and forge practice. Smith-Hughes work can now be given with adequate space, enabling a fourth year of Mechanic Arts in our high school.

#### MUNICIPAL BUILDING

In the 1940 inaugural address it was suggested that the city-owned building formerly known as the Great Falls Restaurant be remodeled to accommodate Council Chambers and offices for our several department officials. This was done at a time when prices were at their lowest level and materials needed for this work were still available. An inspection of the building makes one realize that the administration has been rewarded for its foresight.

#### PLAYGROUNDS

A suitable athletic field has been the subject of much discussion in the past, especially since the sale of Central Park. Much consideration has been given to the desirability of buying the Central Park athletic field. The price of purchase and the cost of repair and upkeep being beyond our financial reach, plus the fact that the location is inconvenient for the majority of our citizens has made us discard the plan.

During the past year, the Noble Pines and Playgrounds have come into the possession of the city, and the Council saw fit to appoint a Park Commission to supervise all matters pertaining to said play-

grounds. The undertaking of enlarging the playing field which will make it adequate for both football and baseball has already been started and should be completed the coming year. The Commissioners are deserving of praise for their practical solution, which will benefit the majority of our sports lovers as well as keep the expenses at a minimum.

In conclusion, gentlemen, I recommend that the salaries of the city officials and school janitors be increased, as recently were those of the teachers, firemen and city laborers. The reason for this recommendation is the increase in the cost of living which has been brought about by today's turmoil. I feel that no further recommendation should come from me at this time because of the manner in which our activities must be conducted for the duration. We are facing a hard job, but we all will creditably do our share.

## CITY GOVERNMENT

1942

---

MAYOR

Alfred J. Boucher

---

CITY CLERK

Paul R. St. Laurent

---

CITY COUNCIL

Organization

The first Tuesday in January at 10.00 A. M.

## RESOLUTIONS

---

Somersworth, N. H., January 14, 1942.

Resolved :

That the Committee on Finance be and hereby is authorized and empowered to appropriate the sum of \$1,000.00 for the purchase of a truck for the use of the Highway Department.

Passed at a meeting held January 14, 1942.

---

Somersworth, N. H., January 14, 1942.

Resolved :

That the City Solicitor and City Clerk are hereby appointed a committee to prepare a revision of the ordinances of the City of Somersworth since the last revision of 1930 and are directed to report said proposed revision to the Mayor and City Council as soon as may be convenient.

Passed at a meeting held January 14, 1942.

---

Somersworth, N. H., January 23, 1942.

Be It Resolved :

That the Mayor shall be authorized to execute and deliver in the name of the City of Somersworth a

deed to the Baxter Woolen Company of the land situated on the Southerly side of Buffumville Road, and on which stands seven tenement houses; being the same land conveyed to the City of Somersworth by Somersworth Manufacturing Company.

Passed at a meeting held January 28, 1942.

---

Somersworth, N. H., February 17, 1942.

Resolved:

That the City Messenger be and hereby is authorized to let the Old City Barn on High Street to Harry W. Campbell, doing business as "The Rag Shop," for the sum of thirty (30) dollars per month.

Passed at a meeting held February 17, 1942.

---

Somersworth, N. H., February 17, 1942.

Resolved:

That the Committee on Finance be and hereby is authorized and empowered to borrow in anticipation of taxes to meet current expenses in such amounts and at such times as may be deemed advisable, at the lowest rate of interest obtainable; the sums of all amounts so borrowed not to exceed one hundred thousand (100,000) dollars; and that the proper officers of the City be authorized to give the City's note or notes therefor. All debts incurred under authority of this resolution are hereby expressly made payable from the taxes of the current municipal year.

Passed at a meeting held February 17, 1942.

Somersworth, N. H., April 7, 1942.

Resolved:

That the Somersworth National Bank be and hereby is duly designated as a depository for the funds of all departments of the City of Somersworth.

Passed at a meeting held April 7, 1942.

---

Somersworth, N. H., April 7, 1942.

Resolved:

That the sum of \$1000.00 be and hereby is appropriated for the further improvement of the athletic field at Noble Pines, such sum to be raised from the anticipation of taxes of 1942.

Passed at a meeting held April 7, 1942.

---

Somersworth, N. H., June 2, 1942.

Whereas the United States of America has acquired the No. 2 Mill, Cement Mill, so-called, formerly of the Great Falls Manufacturing Co.

And whereas water for fire protection and other uses is supplied to said mill and adjoining buildings from a reservoir on Mount Vernon Street.

Be It Resolved That:

During such time as the United States of America shall own, occupy and control No. 2 Mill, so-called,

it is hereby licensed to continue the 12-inch pipeline from said reservoir to said No. 2 Mill as it now runs, down Mt. Vernon Street, across High Street, across Court Street, down Washington Street and Main Street to the Mill.

Permission is also hereby granted to the United States of America to excavate in the streets aforementioned, to maintain, repair or replace said pipeline.

Provided, however, that notice of such excavation be given to the Street Commissioner and that said streets to be repaired with like material to the satisfaction of the Street Commissioner at the expense of the United States of America.

Passed at a meeting held June 2, 1942.

---

Somersworth, N. H., October 30, 1942.

Be It Resolved:

That the pay of the sub driver of fire apparatus be changed from \$3.50 per day to \$4.50 per day.

Passed at a meeting held October 30, 1942.

## PETITIONS

---

Somersworth, N. H., April 7, 1942.

To the Honorable Mayor and Members of the City Council:

The undersigned residents of Laurier Plat or Plains District of the City of Somersworth hereby respectfully request that provision be made for the collection of rubbish at regular times each week by the Highway Department of the City of Somersworth as is done in other parts of the City.

J. Baptiste Demers, R. A. Morin, Alfred J. Gagne, Roger H. Walker, Alderic Lord, Mrs. Mary Hopkins, Mrs. Adelaide Thornton, Mrs. Gladys Livingston, Mrs. Thomas Lessard, Mrs. Paul Carrier, Mrs. Lucien Fournier, Mrs. Arthur Walker, Mrs. Joseph Fleurie, Lester Stuart. Albert D. Vachon, Ella Dolbeare, Mrs. Archie Lizotte, Drew Patterson, Miss Aleathea Locke, Miss Carrie Pray, Arthur Norris, Albert St. Hilaire.

The foregoing petition was granted at a meeting held April 7, 1942.

---

Somersworth, N. H., April 2, 1942.

To His Honor, the Mayor, and City Council:

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to erect a wooden addition to the building located at 64 Market Street, and known as Perreault's Furniture Store, Inc.

Said proposed structure to be approximately 20x 61 feet and two stories in height.

The abutters to this property are B. & M. Railroad (Est. Bolus Collet-Peter Collet, 53 Third Street, Dover, N. H.) and Romeo St. Laurent.

Perreault's Furniture Store, Inc.,  
Roland G. Perreault, Treasurer.

The foregoing petition was granted at a meeting held June 2, 1942.

---

Somersworth, N. H., April 7, 1942.

To His Honor, the Mayor, and City Council:

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to remodel the front of his store. The purpose of the remodeling is to enlarge the store.

Respectfully submitted,

Arthur J. Lemelin.

The foregoing petition was granted at a meeting held June 2, 1942.

Manchester, N. H., March 9, 1942.

### **Petition for Pole License**

To the Board of City Council of Somersworth, N. H.;

New England Telephone and Telegraph Company desires a license to erect and maintain poles and structures, with wires, cables, conduits and devices thereon, together with sustaining, strengthening and protecting fixtures along, across and under the following highways in said municipality.

#### **Locate**

Two poles on Main Street.

Wherefor it petitions that it be granted a license to erect and maintain poles and structures with wires, cables, conduits and devices thereon, together with sustaining, strengthening and protecting fixtures, said poles and structures to be installed approximately in accordance with plan filed herewith or attached hereto marked 'New England Tel. & Tel. Co.' No. D-5335, dated March 5, 1942.

New England Tel. & Tel. Company,  
By Rae Comerford, Plant Engineer.

The foregoing petition was granted at a meeting held April 7, 1942.

---

Somersworth, N. H., April 20, 1942.

To His Honor, the Mayor, and City Council:

Gentlemen: Your undersigned petitioner requests your Honorable Body for a permit to erect a wooden building on the property located at and known at 16 and 18 Spring street, said building to be used as a two-car garage, and to be of the approximate dimensions of 20 feet by 24 feet and of one story in height.

The owners of abutting property are: Napoleon Fillion, Spring Street; Alfred Gagne, Spring Street; Arthur Albert, Summer Street; Albert Gagne, Summer Street, Joseph Vigneault, Summer Street.

Respectfully submitted,  
Edward L. Flanagan,

---

Somersworth, N. H., March 9, 1942.

Gentlemen: We, the undersigned, on Emery Street, wish to have a Hot-Top or any hard sidewalk on the front of our homes.

With appreciation,

Harold M. Meserve.  
Herman C. Smith.

The foregoing petition was referred to the Committee on Roads, Bridges and Drains.

---

Somersworth, N. H.

This is a petition for a new "sidewalk" which we need badly.

Mr. Harvey Nadeau, Mrs. Harvey Nadeau, Yvonne Labissoniere, Mrs. A. DeRoy, Romeo DeRoy, Mr. Arthur Gonthier, Mrs. Arthur Gonthier, Miss Irene Gonthier, Mr. C. Lepage, Mary E. Haggerty, Catherine Egan, Michael Egan, Arthur J. Madden, Mr. and Mrs. Bolduc, Katherine A. Madden, Alpha Lemay, Mary Lemay, Oscar Derochers, Blanche Huppe, Alcide Huppe, Alma Messier, Wilfrid Messier, Mr. Joseph Lessard, William Duffy, Mildred P. Heon, Mr. Joseph Plante, Exerille Perusse, Mr. and Mrs. Archie Roleau.

The foregoing petition was referred to the Committee on Roads, Bridges and Drains.

---

Somersworth, N. H., October 27, 1942.

To His Honor, the Mayor, and City Council:

Gentlemen: Your undersigned petitioner respectfully petitions your Honorable Body for a permit to erect a sign to overhang the sidewalk at my place of business to be located at 44 High Street. Said sign to be approximately 2 feet by 2 feet.

Respectfully submitted,  
Irene Richard.

The foregoing petition was granted at a meeting held October 27, 1942.

---

Somersworth, N. H., October 27, 1942.

Petition of Frank Hennessey of 41 Belknap St., Dover, N. H., to the Council for damages to the

amount of \$6.00 caused to his automobile when he struck an open manhole on High Street.

The foregoing petition was granted at a meeting held October 27, 1942.

---

Somersworth, N. H., September 28, 1942.

To His Honor, the Mayor, and City Council:

Your undersigned petitioners respectfully request your Honorable Body for the installation of a street light at or near 57 Green Street.

Augustin Roy, First National Store, P. Dumais, E. G. Perreault, Cirille Valle, Philomene Lessard, Clothaire Lessard, Ralph Chabot, Etienne Gagnon, Louis A. Blouin, Noel C. Chasse, Paul Roy, Alpha Gosselin, Daniel Roberge, Alcide Lavertu, Willbrod Cantin, Delima Jacques, Renald E. Bisailon, Albani A. Chasse, Lucien Lapointe.

---

Somersworth, N. H., July 28, 1942.

To His Honor, the Mayor, and City Council:

Gentlemen: We, the undersigned petitioners, respectfully petition your Honorable Body for a sewer on Wilson Street.

Arthur Tanguay, Philip J. Martel, George A. Gauvin.

The petition was laid on the table indefinitely.

## ORDINANCES

---

Somersworth, N. H., January 14, 1942.

Be It Ordained by the City Council of the City of  
Somersworth:

Amend Chapter 5 of the City Ordinances by striking out the whole of said chapter and inserting in place thereof the following:

Section 1. The salaries of the officers of the City for each municipal year shall be fixed as follows:

Mayor .....	\$ 700.00
Treasurer .....	300.00
Street Commissioner .....	1,100.00
Chief Engineer, Fire Dept. ....	250.00
Deputy Engineers, Fire Dept., each	150.00
Firemen .....	100.00
City Solicitor .....	500.00
Assessors, each .....	340.00
Clerk of Assessors .....	425.00
City Physician .....	300.00
Overseer of the Poor .....	1,500.00
Sanitary Officer .....	200.00
City Messenger .....	1,300.00
Auditors, each .....	75.00
Judge .....	500.00
Clerk of Court .....	200.00
Driver of Fire Truck .....	1,150.00

Plumbing Inspector .....	50.00
City Clerk .....	1,700.00
and fees of his office	
Help-Hire, City Clerk .....	850.00
Tax Collector .....	.0125 % of taxes collected
Probation Officer .....	100.00

The compensation of each member of the board of supervisors shall be fifty dollars for each election or primary, except the clerk of said board shall receive seventy-five dollars and the chairman seventy-five dollars for each election or primary.

Each ward moderator, five dollars for each election or primary.

Each ward clerk, five dollars for each election or primary, and the sum of fifty cents for each juror drawn in his ward.

Each ward selectman, four dollars for each election or primary.

Each inspector of elections, four dollars for each election or primary.

Each janitor of ward rooms, three dollars for each election or primary.

The laborers employed in the Highway Department shall be paid at the rate of twenty-five dollars per week, for a fifty-hour week.

The Mayor shall receive for expenses incurred in departmental affairs the sum of five hundred (500) dollars per year.

Section 2. The salaries shall be paid as follows:

Quarterly: Mayor, City Treasurer, City Solicitor, City Physician, Chief and Deputy Engineers of the fire department, Judge and Clerk of Court, Assessors, Sanitary Officer, Probation Officer, and Plumbing Inspector.

Semi-yearly: Firemen.

Weekly: Highway laborers.

All other officers shall be paid annually, and all fees, except when part of the salary of the officer, received by any of these officers, shall be accounted for and paid over to the City Treasurer, unless said payment shall be otherwise directed by ordinance.

This ordinance shall be retroactive as of January 6, 1942.

Passed at a meeting held January 14, 1942.

---

Somersworth, N. H., February 17, 1942.

WHEREAS a state of War exists between the United States of America and Japan, Germany and Italy, and the defense of the United States of America is in the hands of the Army and Navy; and

WHEREAS, in modern warfare, no city, however distant from the enemy, is free from attack; and

WHEREAS, lights at night time are a definite aid to the enemy in reaching military and other objectives; and

WHEREAS, blackouts, when ordered by the Army or Navy are essential to the preservation of life and property in this city, and it is imperative that the City of Somersworth aid the Army and Navy by all possible cooperation and assistance; and

WHEREAS, failure to extinguish lights when ordered to do so by duly authorized authorities may result in loss of life by thousands of the residents of the City of Somersworth as well as the residents of other parts of the Nation when lights in this city are used as a guide to other objectives;

WHEREAS, failure to comply with orders, rules and regulations governing evacuations, traffic movements, congregation of persons in streets and other public places will result in confusion and unnecessary loss of life both during blackouts and during air raids in the daytime, now therefore,

Be It Ordained by the City Council of the City of Somersworth:

Section 1. Authority. The Mayor is hereby authorized and empowered in this time of emergency and public need to appoint a Chief Air Raid Warden for the City of Somersworth, whose duty it shall be to assist in the mobilization of civilian effort and in the coordination of State and National activities relating to defense other than those of a strictly military or naval character. Said Chief Air Raid Warden shall have the duty to organize and direct a Council of Civil Defense for the City of Somersworth in conformity to such orders, rules, and regulations as may have been already issued by the State Council of Defense, the Army or the Navy or as may be

hereafter issued and in such further manner as circumstances may require.

Section 2. In order to protect life and property in the City of Somersworth from enemy action the Mayor and/or the Chief Air Raid Warden is authorized and directed to carry out blackouts and air raid protection measures in said city at such times and for such periods as are ordered by the Army or Navy of the State Council of Defense and to promulgate such orders, rules, and regulations as may be necessary to insure the success of the blackouts and air raid protection measures and to protect life and property during said periods. Provided that said orders, rules and regulations shall include traffic movements of emergency or other vehicles, evacuation of residents, congregation of persons on public streets, sidewalks, in public places or buildings, but this enumeration shall not be taken as a limitation on the power to promulgate orders, rules, regulations governing any other subject, persons or property which must be regulated in order to insure the proper carrying out of any duly authorized blackout or air raid protection measure. Provided further that, blackouts and air raid drills may be carried out with the approval of the Army or Navy or the State Council of Defense and the orders, rules and regulations authorized herein may include the orders, rules and regulations necessary for the carrying out of such practice blackouts or air raid drills.

Section 3. All orders, rules and regulations authorized by this ordinance for the conduct of the general public shall be in writing and shall be available for public inspection at the place and during the hours fixed by the Mayor and/or the Chief Air Raid Warden.

Section 4. In order to best carry out the purposes of this ordinance, and to comply with such lawful orders, rules and regulations as have been or as may be promulgated by the State Council or Defense, the Army or the Navy, the Mayor and/or the Chief Air Raid Warden shall adopt and promulgate such orders, rules and regulations as have already been issued by the State Council of Defense, the Army or the Navy and those that may be issued in the future.

Section 5. Any order, rule or regulation promulgated pursuant to the authority conferred by this ordinance shall be in force and effect from the time of promulgation until amended or repealed by the Mayor and/or the Chief Air Raid Warden or until repealed by the Council of the City of Somersworth.

Section 6. This ordinance is an exercise by the city of its governmental functions for the protection of the public peace, health, and safety and neither the City of Somersworth nor any individual subject to, or acting under regulations lawfully included herein or promulgated pursuant to authority herein conferred shall be liable for any damage sustained to person or property during, or as the result of, an authorized blackout, or air raid protection measure, unless such damage to person or property shall result from the intentional and malicious action of any employee of said City of Somersworth or any police officer, auxiliary police officer, or any individual acting as a member of or under the Council of Civil Defense.

Section 7. When deemed necessary in order to protect life or property during a blackout or air raid the police, the special police, or air raid war-

dens, are authorized and directed to enter upon any premises within the City of Somersworth and extinguish lights or take other necessary action to make effective any order, rule or regulation promulgated under the authority conferred by this ordinance.

Section 8. At all times when the orders, rules and regulations made and promulgated pursuant to this ordinance, shall be in effect, they shall supersede all existing ordinances, orders, rules and regulations insofar as the latter may be inconsistent therewith.

Section 9. Any person, firm or corporation violating any of the provisions of this ordinance, or any order, rule or regulation issued pursuant thereto shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding twenty (20) dollars.

Section 10. It is the intention of the City Council that each separate provision of this ordinance shall be deemed independent of all other provisions herein, and it is further the intention of the City Council that if any provision of this Act be declared to be invalid, all other provisions thereof shall remain valid and enforceable.

Section 11. This ordinance is necessary for the immediate preservation of the public health, peace, and safety of the residents of the City of Somersworth, in that it is in furtherance of the public welfare that immediate steps be taken to enforce blackout and other regulations, and an emergency is therefore declared to exist and this ordinance shall

be in force and effect from and after its passage by the Council.

The foregoing ordinance was passed at a meeting held February 17, 1942.

---

Somersworth, N. H., April 7, 1942.

Be It Ordained by the City Council of the City of Somersworth:

Amend chapter of the City Ordinances pertaining to garbage collection so as to extend the territory of garbage collection to include both sides of High Street as far as Black Harry Clay Hill so called.

The foregoing ordinance was passed at a meeting held April 7, 1942.

---

Be It Ordained by the City Council of the City of Somersworth:

That the ordinances of the City of Somersworth be, and hereby are, amended as follows.

• Amend Chapter V, Section 1, or the ordinances, by striking out that part which refers to the salaries for Tax Collector, .0125 for all moneys collected; Street Commissioner \$1100; City Physician \$300; Overseer of the Poor \$1500; Assessors, each \$340; Clerk of Assessors, \$4.25; Fire Chief \$250; Fire Truck Driver \$1150; and insert the following to read:

Tax Collector .0150 for all moneys collected from tax levy of 1942; Street Commissioner \$1200; City Physician \$350; Overseer of the Poor \$1600; Assessors, each \$375; Clerk of Assessors \$475; Fire Chief \$300; Fire Truck Driver \$1250.

This ordinance to take effect July 1, 1942.

The foregoing ordinance was passed at a meeting held June 9, 1942.

---

Somersworth, N. H., October 27, 1942.

Be It Ordained by the City Council of the City of Somersworth:

That Chapter 5, Section 1, of the City Ordinances, "The Laborers employed in the Highway Department shall be paid at the rate of \$25 per week, for a 50 hour week," be amended by striking out said part that refers to the pay of Highway Laborers and substituting therefor the following: "The laborers employed in the Highway Department shall be paid at the rate of \$.55 per hour."

This ordinance shall be retroactive to July 7, 1942.

The foregoing ordinance was passed at a meeting held October 27, 1942.

Edward U. Vezeau,

Board of Assessors.

## STREET COMMISSIONER'S REPORT

---

Somersworth, N. H., December 31, 1942.

To His Honor the Mayor and City Council:

Gentlemen: I submit my annual report for the fiscal year ending December 31, 1942.

Due to the shortage of help and materials the work of this department was greatly handicapped this past year insofar as making many improvements, the roads have been kept in the best condition possible by patching and spot oiling throughout the year due to the shortage of oil.

A short stretch of cement sidewalk was constructed on the southerly side of Green street from Franklin to Ford street.

The regular operations of the Department were accomplished including garbage removal, maintenance of one sewer system, and the cleaning of all streets and highways.

Following are the amounts of appropriations and expenditures:—

### **Appropriations**

Highway .....	\$ 21,000.00
Macadam .....	1,600.00

T. R. A. ....	250.00
---------------	--------

Total appropriations .....	\$ 22,850.00
----------------------------	--------------

### Expenditures

Highway .....	\$ 19,029.18
---------------	--------------

Macadam .....	821.38
---------------	--------

T. R. A. ....	113.08
---------------	--------

Total expenditures .....	\$ 19,963.64
--------------------------	--------------

Balance .....	\$ 2,886.36
---------------	-------------

Respectfully submitted,

John R. Hodsdon,  
Street Commissioner.

## REPORT OF CITY SOLICITOR

---

Somersworth, N. H., June 8, 1943.

To His Honor, the Mayor, and City Council:

Gentlemen: I hereby submit my report for the period January 1, 1942 to December 31, 1942.

From the standpoint of legal action by or against the City of Somersworth, the year 1942 was extremely quiet. No suits were brought against the city and none are outstanding at this time. During the year only the usual routine matters came to the attention of the Solicitor.

The usual criminal cases were presented in the Municipal Court and again the city is fortunate in that no crimes of a serious matter occurred during 1942. It would seem that there might be a slight increase in the number of juvenile offenses. This condition is similar to what many other localities have found.

In accordance with the resolution passed by the city council, the city clerk and myself have made some progress in the revision of the City Ordinances. It is expected that the work will be completed and the revisions made ready for printing in the near future.

Respectfully submitted,

John F. Beamis, Jr.,  
City Solicitor.

## REPORT OF THE DIRECTORS OF FOREST GLADE CEMETERY

---

Somersworth, N. H., December 31, 1942.

To His Honor, the Mayor and Members of the City  
Council:

Gentlemen: Herewith we submit a report of the  
affairs of Forest Glade Cemetery for the year ending  
December 31, 1942 as made up by the clerk.

Balance of surplus—ex-			
hibit A .....	\$ 1,776.67	\$ 2,614.96	*\$ 4,391.63

### Comments on Balance Sheet

Exhibit A—Comparative Statement of Assets and Liabilities as at December 31, 1942, and December 31, 1941.

During the year 119 feet of 6 inch main was laid on Main street at a cost of \$154.01, 112 meters were installed at a cost of \$537.50, a new chlorinator was purchased for emergency at a cost of \$317.30, and new fences were installed around the pumping stations and wells at a cost of \$2,238.

The Accounts Receivable at December 31 show a balance of \$8,644.43 as compared with a balance of \$14,546.32 in 1941, or a decrease of \$5,901.89.

The Bonds were reduced \$3,000. The present balance of the debt is \$18,000.

### Comments on Exhibit B

Exhibit B—Comparative Statement of Operations for the Fiscal Years 1942 and 1941.

The Income for the year shows a decrease of \$2,752.05. This decrease in revenue is attributed to the decrease in consumption of water which was decreased by 10,000,000 gallons.

During the year the hydrants were flushed periodically, numerous repairs were made to mains, services, and meters.

The lettering on the standpipe was removed by order from the Federal Government.

### **General Comments**

During the year we installed 112 meters, some of which changed from Flat Rate and some were new accounts. This, undoubtedly, accounts for the decrease of the 10,000,000-gallon consumption of water.

No Trespassing signs were posted at the Pumping Stations and Wells.

Negotiations have been under way since February 1942 to secure the necessary materials to change No. 1 Well to fully automatic, the same as No. 2 Well. Due to the National Emergency some of the materials are not yet available. It is expected that the changes will be made by March of this year.

Respectfully submitted,

Wilfred J. Michel,  
Superintendent.

## FIRE CHIEF'S REPORT

---

Somersworth, N. H., January 1, 1943.

To His Honor, the Mayor, and City Council:

Gentlemen: I herewith submit to you my annual report of the Fire Department:

### ROLL OF THE FIRE DEPARTMENT

Chief engineer, John O'Neil  
1st Deputy Engineer, Harry D. Ledger  
2nd Deputy Engineer, Noel Chasse

---

Captain, Napoleon Couture  
Clerk, John Loughlin

---

### DRIVERS

Arthur Nadeau, Ernest L. Heon  
Napoleon Couture, Benedict Nadeau,  
James Shanahan

---

### EQUIPMENT

One American LaFrance Triple combination hose,  
pump and chemical.

One American LaFrance City Service truck, ladder and chemical.

One Ford V-8 combination pump and hose.

Two emergency hose wagons.

There are at present 3400 feet of hose in good condition, 1400 feet in fair condition, 700 feet of 1½-inch hose and 600 feet of chemical hose.

Total number of alarms . . . . .	106
Number of still alarms . . . . .	14

Twenty-six permits were issued to burn grass, leaves, etc.

Fire drills were held regularly in the schools.

Chemicals in the public buildings were kept charged and located for emergency use.

Woodlands were kept posted with fire warnings, and closed during dry spells.

Inspections to eliminate fire hazards were conducted every three months.

In closing I wish to thank His Honor, the Mayor, the Committee on Fire Department and all those who have assisted me in the discharge of my duties during the year.

To the officers and members of the department my thanks are also due for their faithful attention to duty and their promptness in responding to the numerous calls during the year.

I also at this time would recommend the purchase of a new fire engine to replace the 750-gallon pump-er that has been in use the past twenty years.

Respectfully submitted,

John O'Neil,  
Chief Engineer.

### SOMERSWORTH FIRE ALARM BOXES

54	Market street
56	Somersworth Shoe
551	Cement road

## TRANSMITTER BOXES

- 551 West High and Cement road  
45 Lily Pond road  
Tests: 2 blasts, 6 o'clock, P. M., and 12 noon  
1 blast: Engineers' Call  
2-2-2 House call  
4 Out of town and brush fires  
1-1 No-School signal  
Morning, 7.30-7.45  
Afternoon, 12.30-12.45

## KNOW YOUR AIR RAID SIGNALS

**BLUE SIGNAL**, Long Blast—Pedestrians continue, Vehicles continue with dimmed lights, Public Transportation continues, Houses blacked out.

**RED SIGNAL**, Series of Short Blasts—Pedestrians take cover, Vehicles stop, lights out, passengers take cover, Public Transportation stops, lights out, passengers take cover, Houses blacked out.

**BLUE SIGNAL**, Long Blast following Red Signal, danger passed but may return—Pedestrians continue, Vehicles continue with dimmed lights, Public Transportation continues, Houses blacked out.

**ALL CLEAR**—One Short Blast after the second Blue Signal.

**REMEMBER**—Red Signal may be the first you will hear. This means an air raid is in progress.

---

GENERAL RULES

Firemen as well as citizens should familiarize themselves with the following rules for giving alarms of fire.

1. Never pull a box for a fire seen at a distance.
2. Never pull a box while the alarm bells are ringing, not until a box has completed its four rounds. Two boxes cannot operate together, and neither will work if two are pulled at the same time. Never pull two alarms of two boxes for the same fire.
3. To ring in an alarm, break the glass in the key-box and open the outside door with the key. Pull down the brass crank seen inside, till it stops, then let go. Then let the box alone. The clock will be seen or heard to be running, and the alarm will follow in half a minute or so. Close the door, but do not try to remove the key, as it is locked in track lock and can only be removed by a release key, which is carried by each engineer, who will, as soon as convenient, release and return it. Remember that the firemen will come directly to the box which has been pulled, and be sure that someone stays at the box to direct them to the fire.
4. Never pull an alarm for a fire seen at a distance. Never touch a box except to give an alarm of fire. Give an alarm for no cause other than actual fire. Don't give an alarm for a chimney fire.

## REPORT OF THE LIBRARIAN

---

To the Trustees of the Somersworth Public Library:

Gentlemen: Herewith is submitted my report as Librarian for the year 1942.

Our work may be judged somewhat by the number of books circulated and, although "leisure is out for the duration," during the past twelve months 21,587 books were loaned for home reading.

The majority of our young men in the armed forces most people not in the service are serving at report centers, helping in Red Cross work and other civilian defense tasks; many are taking evening courses in mechanics and first aid, many are working Sundays and holidays and on night shifts. All these and other duties have made a definite inroad into the circulation of library books.

But the Library carries on! The concensus of opinion seems to be that books are one of the things which will live in a world of war. Automobile driving is curtailed, the radio may be silenced if black-outs occur, but books will continue to be sources of information, entertainment and solace.

The demand for books related to defense industries has been great; such material as will best serve our local requirements and be of most assistance to workers in the navy yards has been purchased. Up-

to-date technical books have included such subjects as Shop mathematics, Blue print reading, Plastics, Camouflage, Aviation, Tool making and design, Ship fitting, Pipe fitting, Marine electrical installation, Sheet metal work, etc.

We have supplied books for use in courses in Civilian defense, Air-raid protection, First aid, Nutrition, Welding, Machine shop practice, etc.

Recent books of romance, adventure, mystery, travel, biography, drama and poetry have been added on the fifteenth day of each month, as has been our custom.

We received many gifts as additions to our collection in the display cabinet which was recently presented to the library by Mrs. Hussey. Among them were a Civil War flag made in Somersworth in 1861, also a collection of Bermuda shells, both presented by Mrs. Albert Andrews. Several souvenirs from the Holy Land were presented by Rev. J. T. C. Blackmore; a framed photo of Somersworth football eleven (1894) was received from Mrs. Thwing; a framed collection of moths was a gift from Mrs. Shapleigh; collections of cacti and coral were received from Mrs. Albert Colburn. Salvatore Silvestre gave us a fossil shark's tooth. Frank Wallingford brought a section of red swamp maple cut by beavers in Berwick, Me.

Mrs. Reba Lord Bigelow sent us a book, "My Yankee Mother."

Miss Alma Roy donated a large "color style guide book" which proved fascinating to many people interested in home decoration.

Last January we did our "bit" in the Victory Book Campaign; more than 300 books were collected and shipped to sorting centers.

Twice during the year your Librarian spoke at department meetings—the Home Economics Department and the Literary Department of the Women's Club. The subjects discussed were "Administration and Service of the Somersworth Library" and "Among the New Books of 1942."

A librarian's meeting attended in Portsmouth was helpful and interesting.

In April we began a new registration of borrowers; this procedure involves considerable work but the results justify the time spent.

The following statistics present the work accomplished during the year.

Number of volumes in library, January 1, 1943 .....	18,902
Number of volumes added during the year .....	459
Number of volumes rebound at the bindery .....	105
Total number of books loaned for home reading .....	21,587

Of this number 17,723 were adult books

Of this number 3,864 were juvenile books

There were 16,928 books of fiction loaned

There were 4,659 books of non-fiction loaned in the following classes

General works .....	59
---------------------	----

Philosophy and religion .	108
Sociology .....	346
Natural Science .....	194
Useful and fine arts .....	812
Literature .....	432
History and travel .....	736
Biography .....	577
Magazines .....	1101
Books in French .....	161
Music, Pictures and Pam- lets .....	133

The limitations of our library make it impossible for us to accommodate even small public gatherings. Our efforts are confined to keeping the library a pleasant and friendly place, and to buying and displaying the greatest possible number of books most likely to interest and inform our readers.

We are grateful that we live in a country where books are still free, where we are free to read, and writers are free to write.

In closing I wish to thank the Trustees for their cooperation during the year.

Respectfully submitted,

Leona H. Savithes,  
Librarian.

## REPORT OF LIBRARY TRUSTEES

---

Somersworth, N. H., January, 1943.

To His Honor, the Mayor, and City Council:

Gentlemen: The Trustees of the Public Library respectfully submit the report of the Librarian for the year ending December 31, 1942.

It is our sincere belief that our Library and other educational institutions are necessary to the public welfare and morale.

There never was a time in the history of the United States of America when the existance of libraries was more necessary than today. Nor was there ever a time when libraries could be of greater service than now and during the next few years of this rapidly changing world.

We feel that our local library is much appreciated and that very satisfactory service is being rendered to all patrons of the Library.

The excellent results obtained compare favorably with reports from other libraries and we trust our Librarian's report will receive your consideration.

Respectfully submitted,  
Henry P. Mullen, Secretary,  
Alfred J. Boucher,  
Hon. Haven Doe,  
Arthur A. Guilmette,  
Clifford Woods,  
Library Trustees.

## REPORT OF PLUMBING INSPECTOR

---

Somersworth, N. H., June 3, 1943.

Plumbing Inspector's Report for the Year ending  
December 31, 1942.

Eighteen inspections of new sewer connections were made during the year, and fourteen inspections on alterations on plumbing appliances and fixtures placed therein,

Respectfully submitted,  
Albert A. Tapscott,  
Plumbing Inspector.

## REPORT OF AUDITORS

For the Year Ending December 31, 1942

---

To the Honorable Mayor and the City Council:

Gentlemen: We herewith submit our report as auditors for the year ending December 31, 1942.

We certify to having examined the books and vouchers of the City Clerk and Treasurer. We find the accounts to agree with the orders drawn on the Treasurer and the accounts correctly cast.

We have also examined the books of the Water Works Department, Tax Collector, City Messenger, and find the accounts correctly cast and payments properly vouchered. Have also examined the books of the Superintendent of Forest Glade Cemetery and the Clerk of the Municipal Court.

Respectfully submitted,  
Margaret C. O'Connell,  
Roscoe G. Edgerly,

Auditors.

Forty-Ninth Annual Report  
OF THE  
SCHOOL BOARD  
OF THE  
City of Somersworth, N. H.

July 1, 1941, to June 30, 1942

## DEPARTMENT OF PUBLIC INSTRUCTION

1942 — 1943

---

Mayor Alfred J. Boucher, Chairman

Ward 1 — William G. Ball

Ward 2 — Margaret R. Uniack

Ward 3 — Hon. Peter M. Gagne

Ward 4 — Rodolph Carignan

Ward 5 — Antoine Fournier

Appointed by City Council — Emery L. Whitten,  
Walter L. Sherry, Dr. W. E. Precourt, Leo Vachon,  
Archie L. Jacques.

SUB-COMMITTEES, JANUARY 1, 1942 TO JANUARY 1, 1943

Secretary — Margaret R. Uniack

Finance — Fournier, Boucher, Sherry.

Texts and Studies — Whitten, Uniack, Fournier.

High School — Gagne, Carignan, Ball.

Elementary Schools — Uniack, Precourt, Vachon.

Repairs — Carignan, Jacques, Gagne.

Athletics — Precourt, Vachon, Sherry.

Fuel and Heating — Boucher, Whitten, Jacques.

Transportation — Ball, Vachon, Whitten.

Supervisory Union — Gagne, Uniack, Boucher, Precourt, Whitten.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Somersworth :

I respectfully submit my fourteenth annual report, which is the forty-ninth in the series.

In order to conform to the reports of other School Districts in the State, the figures given cover the School Year 1941-1942, or from July 1, 1941 to June 30, 1942. Comments however, may include the work of the present school year.

### ENUMERATION AND ENROLLMENT—1942

In October the annual Enumeration of all children in the City was made by Mr. Antoine Fournier. The figures of last year are also given for comparison.

#### Total registration in the Public Schools

	1941	1942
Boys .....	591	603
Girls .....	537	524
Under 16 .....	399	336
Over 16 .....	97	86
Total registration in St. Martin's Academy (Including Commercial) .....	607	565
Total registration in Holy Trinity .....	122	140

None reported in St. Martin's or Holy Trinity over 16

Living in the city but attending High School or Academy elsewhere . . . . .	5	11
Living in the city but attending Elementary Schools elsewhere . . . . .	0	14
Reported handicapped children . . . . .	5	9

These handicapped pupils are instructed in their homes by Mrs. Bernadette Pellerin at city expense. This is in accordance with New Hampshire law.

We were very much surprised to find no increase in the number of children in the city, as we expected that the new industry in the "Cement Mill" would perhaps cause a material increase in enrollment. We expected to have the High School enrollment decrease but it remains almost the same.

Sept. 1941-1942 . . . . .	220
Sept. 1942-1943 . . . . .	206

See the accompanying report of the Headmaster.

Last year Surplus Products, that could be used without cooking were supplied in limited quantities by the Surplus Commodities Distribution branch of Surplus Marketing Administration. The same are being contributed again this year, although the name Surplus Products, must be a misnomer. These products constitute a mid-morning lunch for all pupils. The so-called Penny Milk distribution replaced

the free milk furnished by the schools. The Surplus Marketing Administration pays the distributor for the cost of procuring and processing the milk, which is then sold to all pupils who desire it, both Public and Parochial, at a price agreed upon, which in our city is one penny per half-pint. How long this will continue is problematical owing to the milk shortage. Chabot's Dairy furnishes the milk when it can be obtained.

Your school nurse is ever vigilant and her good work in seeing that defects of pupils receive attention is commended. I wish that her good work could be further strengthened by the employment of a City Physician with pay, who could give at least, one good medical examination to all pupils each year. The need of this examination is being brought vividly to our attention when our boys are sometimes found to be defective when enlisting in the army. Two cases of this have been brought to my attention recently, one a boy with an enlarged heart and another with a rupture. Both of these boys were ignorant of any such defect. We do insist that all candidates for football present evidence of sound health from a physician but only a few of the boys "go out for football."

All pupils last year were finger printed and the State Police will finger print all "new comers" to the schools before the year is ended.

Last winter the hearing of all pupils and teachers was carefully tested by the audiometer and Miss Morin, School Nurse, has been "following up" the defectives. Fortunately we have no pupils at present who need to be taught "lip reading."

All schools held Memorial Day and Armistice Day programs. Other special days have not passed unnoticed and this year Pearl Harbor Day received special attention.

Your schools, especially the Chandler School, did an excellent job in scrap collection. They are all participating in the Schools at War Program, and stamps and bonds are being bought through our Bank School Savings plan. Perhaps not as spectacular as some other plans, but one which insures very nearly a hundred per cent participation.

In the High School the same program of studies is in effect as last year. See the headmaster's report of last year for details. Mr. Joseph O. Lafond devotes all of his time to the Smith-Hughes Program, Mr. Ernando DeVittori instructs the 7th and 8th grades in woodworking and devotes the remainder of his time to Cabinet Making and Bench Metal work in grades 9 and 10.

Last year the Mechanic Arts department made 50 air plane models for the U. S. Army and all of them passed the inspection, which is very rigid. This year they have asked us to send them 30 more.

Miss Jane Guyer of Hanover, N. H., a graduate of the New England Conservatory of Music, was secured for Music Supervision to begin work last September. She has organized an orchestra, a band, a glee club and is carrying on successfully vocal music in all the public schools. The Somersworth Woman's Club deserve thanks for supporting her work and donating money for a drum for the band. Miss Guyer is contemplating an operetta to be given before the close of the year. Admission will be charged

the proceeds to go to the support of her musical efforts. It is hoped that the public will generously support both teacher and pupils.

We have not introduced a specific war course into our schools but modifications in Physics and Mathematics have been made to enable our boys to be better prepared to enter the army or navy. There is a possibility that a course in Pre Aviation Aeronautics may be introduced when a teacher can qualify to teach such a course.

Last year our school buildings were in constant use as centers for First Aid instruction. Most of the teachers have qualified under this program.

This year the Chandler School is open two evenings each week for courses in Blue Print Reading for Navy Yard workers, taught by Mr. Matthew Riley, and a course in Ship Shop Mathematics, taught by Mr. Robert Beamis. Both of these are Federal Projects, financed by the Federal government and supervised by your Superintendent. There has just opened at the High School our eight weeks O. S. Y. A. Course in Repair of Automobiles, Trucks and Tractors. The course is taught by Mr. Lafond, 5 nights a week or a total of 15 hours per week. This is also Federally financed and under my supervision. A Welding School is about to be opened at the Pumping Station. It is hoped that this may run 24 hours a day. Your Superintendent also supervises courses at New Hampshire University, so that in all, he has more Defense Courses in operation than any other superintendent in the State. His time in active supervision in the schools is being somewhat curtailed this year. He is glad to do this Defense work without recompense as he hopes he is doing his part to help defeat the enemies of democracy.

The naturalization school, conducted by Miss Margaret Thomas, as a WPA project was abruptly terminated in November. I am sorry to see this good work discontinued as there are still many in Somersworth who could profit from attending such a school.

I am sure that the public has appreciated the fact that their teachers have given freely of their time and services to the various rationing programs and know that the teachers will continue to do whatever rationing is needed in the months just ahead. Please understand that all that they do is without recompense, except that they feel, as does the superintendent that it is our "little bit" of help.

We are not neglecting precautions against bombing and are continuing study to make the protection of our children better.

Finally, your schools will cost you more in the years to come. Teachers' salaries have not at this writing been increased but they must be if we are to meet the competition elsewhere.

Books and supplies will cost more. Some supplies are now hard to get but we have tried to anticipate the market and parents may rest assured that their pupils will be supplied with the necessary equipment, even if the children go without rubber erasers.

How much longer we can continue to give the same amount of transportation will depend on Federal authorities. It is expected that many children now being transported will soon have to walk and transportation be otherwise curtailed.

Transportation difficulties caused the State Teachers Association's annual meeting to be omitted this

year and instead four regional meetings were held. Your teachers attended such a meeting at Durham. The Superintendent attended the meeting of the New England Superintendents held in Boston in November but will not attempt to attend the meeting in February of the National Association of School Administrators to be held in St. Louis.

The contribution which education can make to national defense and the winning of the war are matters demanding serious thought by all educators. All are agreed that the schools must become centers for the education of youth and adults facing a war-torn world, and schools like business cannot expect to go on "as usual."

Respectfully submitted,

Howard L. Winslow,  
Superintendent of Schools.

## REPORT OF HEADMASTER OF HIGH SCHOOL

---

To the Superintendent of Schools:

This report is submitted at a time when our country is engaged in a global war. As a consequence the selection of much of the material in the report was influenced, to a large extent, by a consideration of the schools in their relation to the war effort and by a discussion of the pre-induction training which the schools are being urged to adopt.

It is of considerable importance to know that our school has anticipated some of these defense measures in our general high school program. Not that we are in any way clairvoyant and have been able to foresee this great conflict but rather that we have held our curricula down to those bare fundamentals which are the very essence of our economic well-being; and this is true whether our vocation calls us to the production line, to the professions, or to the fore front of the battle itself. We have never gone to the extreme of imagining that Somersworth High School turned out a finished product; we sought only that our youth be well instructed and drilled in fundamental processes all the while leaving enough leeway for initiative and avoiding every semblance of regimentation.

Upon reading over the outlines suggested by the army for its pre-induction courses we are made immediately aware, when comparing them with our

own, that there is very little dissimilarity. True, ours is not as comprehensive but then we are obliged to train for all branches of the service, not for the army alone. To be a little more specific; all of our work in Math is essential and so is much of the ground covered in Physics. Unlike the last war no great emphasis is placed on Chemistry though in our curricula Chemistry is a major subject.

Since English is the vehicle by which orders and commands are conveyed by superiors to the men under their command it becomes exceedingly important for all to have a working knowledge of English, to learn to use it as a tool which is necessary to the winning of the war. The proper use of terse and accurate sentences is the cement by which our armed forces are welded together. Language use is one of the few factors which make an army a complete and homogeneous whole. The misunderstanding of a single order, the miscomprehension of a single command can—and sometimes does—lead to the loss of life, the destruction of property, and so on to ultimate disaster.

Because we have been doing the essential things we have not hurried too much in introducing formal pre-induction courses. Pressure, however, will be brought upon us by certain agencies to adopt these courses; and having been adopted, to devote considerable time to them. To secure this time under our present schedule it will be necessary to shorten the weekly periods devoted to the so-called cultural subjects. May we point out, however, that all boys are not, by nature or aptitude, fitted to carry on such work successfully. Such training should be limited to a select group whose capacities are such, as shown by a testing program, to profit by such a course.

Perhaps the most important of these pre-induction courses will be that of physical education. In this field our current practice will not meet the requirements because we have, at the present time, no physical training program. We do have a sports program in which a small group is active in interscholastic contests; but we have no program which is open to all pupils and one which is gauged to individual needs. Those who are sadly in need of this training, namely, the immature and the weak are completely overlooked in the urge to pick out and train only those who, by inclination or aptitude, can excel in competitive sports. Such a program is neither democratic nor is it educationally defensible; much less can it be dignified by the term "PHYSICAL EDUCATION." Certain elements in it are desirable in that they foster a competitive spirit though such an asset will not justify a system which forces a majority to sit on the bleachers while a mere handful is engaged in active participation. We have in the past, and prior to the advent of this total war, thought it no shame to copy certain continental practices as being superior to our own. One of these which we have not copied is the system of physical training which reaches out to every child in the school system and, under compulsion, requires active participation in sports and physical exercises. There is some danger that such a system may breed regimentation though to no greater extent, perhaps, than the war effort itself will bring in its zeal to win.

That our school is continuing to meet the needs of the community is evidenced by the fact that each year an increasingly large number come to us as freshmen and fewer and fewer drop out of school before graduation. Most of those who do terminate their educational life prior to graduation do so because they

have found desirable employment which, in most cases, is the type for which they have been prepared in high school. It is to our credit, I think, that most boys, when applying for employment, can say truthfully that they have had experience in working with their hands. That does not indicate that such work is done at the expense of mental labor. Indeed it has been proved beyond doubt that manual labor stimulates mental activity and that the one is a concomitant of the other.

These, then, are some of the advantages that accrue from our industrial arts program. In the war effort, too, these are the courses that are desired and upon which our military leaders place the greatest stress. It is to be hoped that in the future more of our boys can be induced to take these courses.

With the introduction of music this year the use of vocal and instrumental music received the stimulus so badly needed. In addition to the regular Assembly programs Miss Guyer has under her direction a glee club of some sixty members and a class in music appreciation in which eight are now enrolled.

This year we have added to our Victor projector equipment a new turntable to be used in playing records and electrical transcriptions. This turntable is in almost constant use by the class in music appreciation. It has also furnished the music for our Friday afternoon socials. The money for the purchase of this equipment has come from various sources; part has been contributed by the class of 1941, part by the class of 1942, and the remainder by the pupils now in school.

We have also been fortunate in a gift made to the school by Mrs. W. H. Kimball of a complete file of

graduating programs dating from 1875 down to the present time. These programs are of inestimable value because they antedate our school records by almost twenty years thus making it possible for us to verify the school attendance for which so many people have been asking us during the past five years.

Respectfully submitted,

John R. Uniack.

## REPORT OF SCHOOL NURSE

---

To the School Board and Citizens of Somersworth :

The following report is for the school year, September, 1941, through June, 1942.

Number of children examined .....	1236
Defectives visions corrected .....	99
Defective teeth corrected .....	413
Defective hearing corrected .....	2
Tonsillectomies .....	18
Appendectomies .....	9
Pupils receiving treatment for deformities ..	16

### Communicable Diseases Found :

German measles .....	358
Chicken pox .....	38
Whooping cough .....	79
Mumps .....	71

This school year shows a 12% increase in visual corrections, and a 33% increase in dental corrections, which seems to indicate a better understanding of the necessities conducive to better health. Parents have been very cooperative, as have the city and county welfare departments. The State of New Hampshire Sight Conservation Program for the Blind was responsible for many of the corrections.

From January 15 to January 30, 1942, the Audiometer Hearing Test was given to 417 pupils. Of

these, thirteen were found to have defective hearing. Up to date, two have been corrected; others are under treatment.

From April 15 until the close of the school year, penny milk was sold. Because of the low price, the many children who, of necessity, are deprived of the benefits of milk at home, were able to purchase some every day, thus helping to round out their diets.

Our first Orthopedic Clinic was held June 8, 1942, at the Frisbie Memorial Hospital. Seventeen pupils were examined. Arrangements were made for further treatment, or operations at the Elliot Hospital in Manchester, where the case demanded such measures. Many thanks are due to Mr. Hebert, who transported the children to and from the hospital.

During the winter months, we were fortunate to have some of the surplus commodities distributed in our schools. This extra nutrition was of especial benefit to those children who ride on the school bus, or who must walk long distances to school.

In closing, I wish to thank the Superintendent, Mr. Winslow, the School Board, teachers and parents for their splendid cooperation.

Respectfully submitted,

Lucille B. Morin, R. N.
